Universal  
Dual Rear Shock Kit  
Installation Instructions  
Part #: DS320 / DS360

- NOTE 1:** DUE TO THE WIDE VARIETY OF VEHICLES THAT THIS KIT FITS, FIRST CHECK THE AREA ABOVE THE REAR END BETWEEN THE FRAME RAILS TO BE SURE THERE ARE NO OBSTRUCTIONS (GAS TANK, ETC.). SOME VEHICLES MAY REQUIRE MODIFYING THE TAIL PIPE.
- NOTE 2:** THIS KIT REQUIRES SOME WELDING WHICH SHOULD BE DONE BY AN EXPERIENCED WELDER USING ARC WELDING EQUIPMENT.

## **Installation:**

1. Insert the upper shock bracket between the frame rails. Expand the slip tube to contact the frame rails on both sides & locate the flanges immediately forward of the OEM shock upper brackets. Be sure both shock mounting ears are towards the rear with their flat sides up & pointing up at approximately a 30-degree angle, close to- but not touching the bed brace.
2. Using the flanges on the slip tube as a guide, mark & drill two holes with clearance for 7/16" bolts on each side of the frame.
3. Insert the supplied 7/16" bolts through the newly drilled holes in the frame placing nuts on the inside. Tighten the bolts securely on both sides.
4. Temporarily hang both new shocks (not provided) from the upper bracket, centering the shock in the mounting tabs with the supplied washers. **NOTE:** This kit is designed to use shocks of OEM specifications except it requires eyelet type top mounts instead of pin type mounts.
5. Temporarily install the bottom mounting ears on the new shock bottoms in the same fashion as the existing OEM lower mounts. Swing the shocks back until the rear facing radius in the lower mounts contacts the axle housing at the front & line up the new mounts with the existing OEM bottom mounts. Check to be sure the new mounts are in line top to bottom, making sure the shocks do not bind. Clamp in place & tack weld the new bottom mounts to the axle housing. Check all clearances & travel for free movement of the shocks. Now remove the new shocks.
6. Securely weld the lower bracket in place on the axle housing. Weld as much of the exposed slip joint in the middle of the upper bracket as possible.
7. Reinstall the new shocks fastening securely top & bottom, using the supplied 1/2" x 2<sup>3/4</sup>" bolts & center the top & bottom in the mounting tabs using the supplied washers.

## ***Jesus Christ Died For You.***

John 3:16

For God so loved the world that He gave His only Son, so that everyone who believes in Him should not perish, but have everlasting life.

Romans 3:23

For all have sinned; all fall short of God's glorious standard.  
Ephesians 2:8

God saved you by his special favor when you believed. And you can't take credit for this; it is a gift from God.  
Psalms 18:2

The Lord is my Rock, my fortress, and my savior; my God is my Rock, in whom I find protection. He is my shield, the strength of my salvation, and my stronghold.  
Romans 10:9-10

That if you shall confess with thy mouth the Lord Jesus, and shall believe in your heart that God hath raised him from the dead, you shall be saved.  
For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation.

**Pray This Simple Prayer:**  
God, I come to You admitting I have sinned against You and I need you to take control of my life. The Bible says anyone who calls on the name of the Lord will be saved. I am calling on You, Jesus. I ask that You come live in my heart and be the Lord over my life today. I do believe You died on the cross for me and came back to life to give me life! Thank You, Lord Jesus for a new life in You!

Now, go and tell somebody about your new life in Jesus, get a Bible, begin to read it, and go to a Bible believing church.

## ***Jesús murió por ti.***

Juan 3:16

"Porque tanto amó Dios al mundo, que dio a su Hijo unigénito, para que todo el que cree en él no se pierda, sino que tenga vida eterna."

Romanos 3:23

"Pues todos han pecado y están privados de la gloria de Dios."  
Efesios 2:8

"Porque por gracia ustedes han sido salvados mediante la fe; esto no procede de ustedes, sino que es el regalo de Dios."  
Salmos 18:2

"El Señor es mi roca, mi amparo, mi libertador; es mi Dios, el peñasco en que me refugio. Es mi escudo, el poder que me salva, ¡mi más alto escondite!"  
Romanos 10:9-10

"9 Que si confi esas con tu boca que Jesús es el Señor, y crees en tu corazón que Dios lo levantó de entre los muertos, serás salvo. 10 Porque con el corazón se cree para ser justificado, pero con la boca se confi esa para ser salvo."

Ahora dí esta simple oración:  
Dios, vengo a Ti y admito que he pecado contra Ti, necesito que tomes el control de mi vida. La Biblia dice que todo aquel que invoca el nombre del Señor escapará con vida. En este momento yo clamo ante Ti, Jesús; te pido que vengas a vivir en mi corazón y que tomes el control de mi vida. ¡Yo creo que tu moriste en la cruz y resucitaste para darme vida! ¡Gracias Señor Jesús, por una nueva vida que tengo en Ti! Amen.

Ahora ve y dile a alguien sobre la nueva vida que tienes en Cristo. Compra una Biblia y empieza a leerla. Busca una Iglesia que cree en la Biblia y hazte parte de esa Iglesia.
