

2010+ Ram HD(2500, 3500, 4500, 5500) Front Winch Bumper Product Number: A2451, A2452, A2450 Application: 2010+ Ram 2500, 3500, 4500, & 5500 Trucks

SAFETY

Your safety and the safety of others is very important.

- In order to help you make informed decisions about safety, we have provided installation instructions and other information.
- These instructions alert you to potential hazards that could hurt you or others.
- Please do a job safety analysis (JSA) before each task to identify potential hazards for your situation and remove/protect against them.
- You must use your own good judgment, and take your time.

Read and understand all safety precautions and instructions before installing this product.

THIS PRODUCT IS FOR OFFROAD USE ONLY. ALL LIABILITY FOR INSTALLATION AND USE RESTS WITH THE OWNER.

CARELESS INSTALLATION AND OPERATION CAN RESULT IN SERIOUS INJURY OR EQUIPMENT DAMAGE.

Injury hazard

Failure to observe these instructions could lead to severe injury or death.

Always remove jewelry and wear eye protection.
Always use extreme caution when jacking up a vehicle for work. Set emergency
brake and use tire blocks. Locate and use the vehicle manufacturers designated
lifting points. Use jack stands.
Always use appropriate and adequate care in lifting components into place.
Always insure components will remain secure during installation and operation.
Always wear safety glasses when installing this kit. A drilling operation will
cause flying metal chips. Flying chips can cause serious eye injury.
Always use extreme caution when drilling on a vehicle. Thoroughly inspect the
area to be drilled (on both sides of material) prior to drilling, and relocate any
objects that may be damaged.
Always use extreme caution when cutting and trimming during fitting.
Always tighten all nuts and bolts securely per installation instructions.
Always route electrical cables carefully. Avoid moving parts, components that
become hot and rough or sharp edges.
Always insulate and protect all exposed wiring and electrical terminals.
Always perform regular inspections and maintenance on mounts and
related hardware.

Fog Lamp

OEM (Power) → Red Fab Fours OEM (Ground) → Green Fab Fours

2010+ Ram HD(2500, 3500, 4500, 5500) Front Winch Bumper Product Number: A2451, A2452, A2450 Application: 2010+ Ram 2500, 3500, 4500, & 5500 Trucks

- E. Connect supplied fog lamp wiring harness to tap connectors following wiring diagram.
- F. Run passenger side fog lamp supply wires across bottom of bumper and tap into Fab Fours driver side fog lamp wires.
- G. Install turn indicators into outside bumper light pockets using three self- tapping screws per side. Note: verify that "TOP" lettering on turn indicator is facing top of bumper.

H. Install fog lamp brackets onto inner light pockets using two bolts and nuts per side and attach running light to bracket as shown using two bolts, washers, and nuts per side. Verify that light adjustment screw is facing downward before tightening fully.

2010+ Ram HD(2500, 3500, 4500, 5500) Front Winch Bumper Product Number: A2451, A2452, A2450 Application: 2010+ Ram 2500, 3500, 4500, & 5500 Trucks

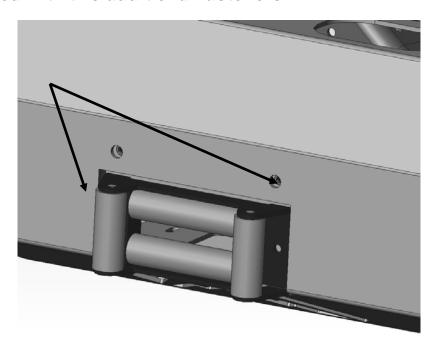

V. Winch Bumper Installation

NOTE: The Following Installation steps apply to the installation of the Bumper to the vehicle. PLEASE READ THE ENTIRE MANUAL BEFORE ATEMPTING INSTALLATION! Ignoring these steps will increase your probability of scratching the vehicle during product Installation!

A. Remove the Bumper from the shipping carton. Lay all items out on a blanket to prevent damage to the powder coating.

B. OPTIONAL: If installing winch and roller fairlead (neither provided) into bumper, do it at this time. Bottom bolts (not provided) go through fairlead, then into winch. Thread 7/16" cap screws through hole in front bumper and into winch body.

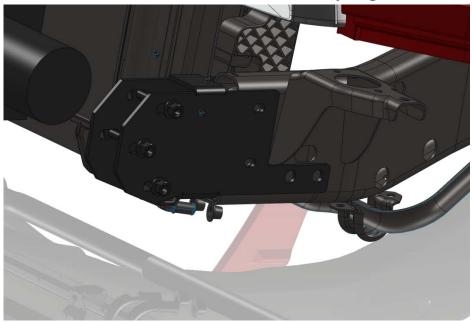

C. NOTE: Winch should be bolted to FRONT FACE of the bumper in four places, and can be bolted to winch tray if so desired with two additional fasteners.

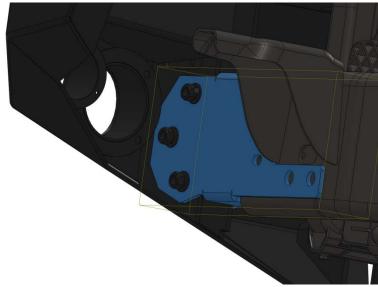

2010+ Ram HD(2500, 3500, 4500, 5500) Front Winch Bumper Product Number: A2451, A2452, A2450 Application: 2010+ Ram 2500, 3500, 4500, & 5500 Trucks

D. Install the Frame mounts to the frame using the OEM hardware as shown below. Do not Fully Tighten.

E. With the help of friends carefully lift the bumper into place lining up the mount towers into the previously installed frame mounts. Use the supplied ½" hardware as shown below. Do Not Fully Tighten

2010+ Ram HD(2500, 3500, 4500, 5500) Front Winch Bumper Product Number: A2451, A2452, A2450 Application: 2010+ Ram 2500, 3500, 4500, & 5500 Trucks

F. Using either the help of friends or a wood block on a floor jack under the bumper, locate the bumper to a .5"gap below the grill and headlights. Also align the bumper to the fenders from the side. Fully Tighten All bolts.

G. Optional: Trim Plastic Inner Fenders to match the bumper lines.

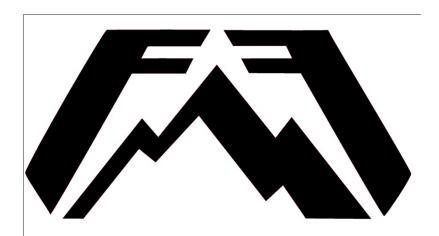

VI. Maintenance/Care

- ☐ Periodically check and tighten all nuts.
- ☐ Stripped, fractured, or bent bolts or nuts need to be replaced.
- ☐ Periodically grease the tire carrier pivot.
- ☐ Periodically check the tension of the latch hook..
